The lyrics of unconventional individuals who created moving works inspire the singer in her compositions. The music constantly surprises with its changes in groove and mood, sophisticated arrangements, and a musicality imbued with power and warmth. **SwingThing** not only succeeds in bringing their music into a natural flow, but also in constantly developing it and bouncing it in such a way that it is almost impossible to sit still. The band from Zurich and Baden has been playing together for almost 7 years and is releasing their third album:

Warm-hearted, sophisticated, and groovy.

Die Lyrik von eigenwilligen Menschen, die Berührendes schufen, inspirieren die Sängerin zu ihren Kompositionen. Die Musik überrascht immer wieder durch Groove- und Stimmungswechsel, ausgeklügelten Arrangements und einer Musikalität, die von Kraft und Wärme durchzogen ist. Es gelingt **SwingThing**, ihre Musik nicht nur in einen natürlichen Fluss zu bringen, sondern sie auch stetig weiterzuentwickeln und derart zu bouncen, dass man kaum stillsitzen kann. Die Band aus Zürich und Baden spielt seit bald 7 Jahren zusammen und bringt ihr drittes Album heraus:

Warmherzig, sophisticated und groovig.

La poesia di persone anticonformiste che hanno creato opere toccanti ispira la cantante nelle sue composizioni. La musica sorprende continuamente con cambiamenti di groove e di atmosfera, arrangiamenti sofisticati e una musicalità permeata da forza e calore. **SwingThing** riesce non solo a dare alla sua musica un flusso naturale, ma anche a svilupparla costantemente e a farla rimbalzare in modo tale che è difficile stare fermi. La band di Zurigo e Baden suona insieme da quasi sette anni e sta per pubblicare il suo terzo album:

caldo, sofisticato e groovy.
