UNITRIO, c'est 20 ans de jazz et 5 albums. Le temps du déploiement lent et raisonné d'une âme, d'un son unique servant les compositions poétiques du trio. Déploiement aussi des ailes de l'actuel UNITRIO quartet et des envolées ludiques qui constituent et com plètent son œuvre. L'invitation faite à Matthieu Michel renforce ce son chaleureux, profond et cette créativité libérée.

///

UNITRIO represents 20 years of jazz and 5 albums. It is the story of the slow and deliberate unfolding of a soul, of a unique sound that serves the trio's poetic compositions. It is also the unfolding of the wings of the current UNITRIO quartet and the playful flights of fancy that define and complement its body of work. The addition of Matthieu Michel reinforces this warm, deep sound and this unbridled creativity.
